THE DEATH OF HOBART

Physician's Statement as to the Cause.

WIFE AND SON AT HIS BEDSIDE.

day Afternoon Was the Beginning of His Passing Away From Earth-Messages of Condolence.

PATERSON, N. J., Nov. 22.-Dr. Newton, Vice President Hobart's physician, Tuesday, gave out the following statement on the death of his patient:

"The vice president died at 8:30 this morning surrounded by his family, physician and nurse, during an atttack of angina pectoris. At the time of his death he was unconscious and free from pain, as he had been since midnight. He had a previous attack at 1:30 Monday afternoon, recovered, but the heart continued crippled and never responded to the treatment.

President McKinley talked with Mr. Evans, the private secretary, over the long distance telephone. At his bedside were Mrs. Hobart and his son, Garrett A. Hobart, Jr., together

with Dr. William K. Newton and his wife and Private Secretary Evans. Mr. Hobart's death had been expected for some hours. The beginning of the end came Monday afternoon, when there was a sudden failure of the heart, and from this attack Mr. Hobart never raliled. He had been sick for a long time, and had suffered frequently from heart failure, and his strength had been undermined. Gradually the failure of the heart's action became more apparent, blows were an innovation to the and soon after midnight Monday night fighting fraternity. > Owing to the prostration of Mrs. Hobart, the funeral arrangements were not completed, but may be today. The only step decided upon was that the services shall be held in the Church of the Redeemer at Paterson and the interment in the family plot at Cedar Lawn, where the only daughter of Mr. and Mrs. Hobart was buried six years ago. Rev. Dr. Magee will preach the sermon.

The church can accommodate no more than 800 persons, and, as thou sands will be eager to attend the services, it was suggested that they be held in the armory, which will accommodate 10,000 persons. It is known, however, that Mrs. Hobart wishes the funeral to be as quiet as possible and there is little likelihood that the program will be changed.

The mayor and aldermen of Paterson have suggested that the body lie in state land and Lavigne left early this at the city hall on Friday or Saturday morning, and this suggestion will probably be carried out. The pallbearers have been selected,

but their names will be held until after they have been notified and have ac
